RE: Draft Decision Documents for IR sites 1 and 8. Key  
West, Florida

Dear Mr. Patrick:

I have reviewed the above referenced documents dated June 2000 (received June 9, 2000). As discussed during previous team meetings, the selected course of action stated in the Decision Documents is adequate for its purpose. Please note that submittals of as-built drawings of the IR-1 seawall and shoreline protection system will be needed before our Secretary makes official concurrence on the Decision Documents, and the selected course of action for the above sites.

If I can be of any assistance in this matter, please contact me at 904/488-3935.

Sincerely,

Jorge R. Caspary, P.G.
