Subject: August 2003 Monitored Natural Attenuation Report for Truck Fill Stand, Valve Pit No. 8,
and Boca Chica Tank Farm, Rev. 0, Naval Air Station, Key West, Florida

Dear Mr. Glover:

TtNUS is pleased to submit the enclosed PDF file for the final August 2003 Monitored Natural Attenuation Report for Truck Fill Stand, Valve Pit No. 8, and Boca Chica Tank Farm, Rev. 0, Naval Air Station, Key West, Florida. The file is being distributed to some members of the NAS Key West Partnering Team via U.S. mail for their convenience and to meet TtNUS's contractual obligation under CTO 0297. I am not expecting to receive any comments on this report; however, any comments generated by the NAS Key West Partnering Team members can be incorporated into the next monitoring report for these sites.

Please call me at (803) 649-7963, extension 345, if you have any questions regarding the enclosed CD.

Sincerely,

Project Manager
