Dear Mr. Chestnut:

As we discussed during our June 11, 1987 telephone conversation, the review of the Verification Study, Final Report, March 1987, Naval Air Station, Key West, Florida is complete. The document is satisfactory for its purpose. Also, Department personnel concur with Geraghty & Miller's recommendations for additional investigations at eight of the sites and the preparation of a Remedial Action Plan for Site No. 9.

If you have any questions concerning this matter, please contact me at 904/488-0190.

Sincerely,
