**NOTICE OF NAVY'S INVITATION
FOR PUBLIC COMMENT ON
THE
Engineering Evaluation/Cost
Analysis
A950 Spoils Pile and A22
Drainage Ditch
Naval Air Station Key West**

The Department of the Navy (Navy) invites public comment on the Engineering Evaluation/Cost Analysis (EE/CA) for the A950 Spoils Pile and A22 Drainage Ditch located on Boca Chica Airfield at Naval Air Station (NAS) Key West in Monroe County,

Florida. The EE/CA identifies and discusses the preferred alternative for a non-time-critical removal action at the A950 Spoils Pile and A22 Drainage Ditch sites.

The purpose of the removal action is to remove munitions and explosives of concern present in sediments at the A950 Spoils Pile and A22 Drainage Ditch sites. Pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Navy will remediate sediment at these sites to protect human health and the environment. The EE/CA identified and evaluated three removal action alternatives. The Navy's preferred alternative, as presented in the EE/CA, is Alternative 3 - MEC Removal.

The EE/CA is available for public review in the Navy's Administrative Record for NAS Key West. The Administrative Record is located at the Monroe County Public Library at the address below.

Monroe County Public Library
700 Fleming Street
Key West, Florida 33040
(305) 292-3595

The public comment period for the A950 Spoils Pile and A22 Drainage Ditch EE/CA will be from April 1, 2014 through April 30, 2014. Please provide written comments **on or before (postmark by) April 30, 2014** to the following address:

Mr. Brian Syme
