U.S. Environmental Protection Agency
100 Alabama Street S.W.
Atlanta, GA 30303

Dear Mr. Johnston:

SUBJECT: EXTENSION REQUEST FOR CAMP REPORT SUBMITTAL, NAVAL
STATION MAYPORT, HSWA PERMIT #FL9 170 024 260

In accordance with our HSWA Permit #FL9 170 024 260, Naval Station Mayport (NAVSTA) requests an extension of the CAMP Completion Date for the Ecological Risk Assessment Report for SWMUs 4, 49 and 50. The current due dates for the draft and final submittal of this secondary document are March 19 and May 19, 1997. Due to a delay in receiving the analytical reports and data validation review, we are requesting an extension of these dates to May 19, 1997 for the draft and July 19, 1997 for the final submittal.

If you have any questions regarding this matter, NAVSTA's point of contact is Cheryl Mitchell, N4E4, at 904-270-6730 x13.

Sincerely,

ROBERT P. WALDEN
Lieutenant Commander, CEC, U.S. Navy
Staff Civil Engineer
By direction of
the Commanding Officer
