RE: Completion Report for Interim Measures at Group III SWMUs 14, 23 and 24 and certified as-built drawings; to accompany the Completion Report: US Naval Station (NAVSTA), Florida

Dear Ms. Wilson:

I have received the certified as-built drawings for SWMU 14 and SWMUs 23 & 24, which will replace the original drawings (received October 28, 1999) which were not certified. The drawings will be inserted into the above Completion Report dated June 1998 (received April 26, 1999). The Completion Report documentation is complete and has been placed in our files for those SWMUs.

If you need further clarification or any additional information, please feel free to contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
