RE: Monitoring Report for ECHO Pier, Naval Station Mayport, Mayport, FL

Dear Ms. Washington:

I have reviewed the above document dated February 2000 (received March 7, 2000). The document is acceptable for its intent. If we can get two quarters in which MW-02 is clean, we can consider terminating the monitoring. I look forward to the next report. If you need further clarification if you have any questions, please contact me at 850-921-4230.

Sincerely,

James H. Cason, P.G.
Remedial Project Manager
