RE: Work Plan Addendum No. 05: Product Recovery Pilot Study at Site 1586, Revision 00,  
Naval Station Mayport, Mayport, Florida

Dear Ms. Wilson:

I have reviewed the above document dated March 2006 (received March 7, 2006) and we have discussed it at the last Partnering meeting. The proposed evaluation is a short-term evaluation of LNAPL recovery from this complicated site. I concur with the proposed activities. When a suitable recovery method has been determined, please submit a properly certified Remedial Action Plan for the site.

Thank you for the opportunity to review this document. If you require further clarification or other assistance, please contact me at 850-245-8999.

Sincerely,

James H. Cason, P.G.  
Remedial Program Manager
