Dear Sir:

The Tennessee Department of Environment and Conservation (TDEC) has completed its review of the Site Investigation Report for the Military Munitions Response Program (MMRP) Revision 1, at NSA Mid-South, dated September 22, 2010. The document was submitted in response to the Divisions comments submitted to NSA Mid-South on August 13, 2010. NSA Mid-South has adequately addressed all the Division's comments and concerns. The Division considers the Site Investigation Report for the Military Munitions Response Program (Revision 1) approved as submitted.

If you have any questions regarding this letter, you may contact me at (615) 532-0864 or email me at Roger.Donovan@tn.gov.

Sincerely,

Roger Donovan, P.G.
