**RE: CONSTRUCTION OF SOIL BORING(S) AT: NAS-Memphis**  
**(Up to 4 Stratigraphic Test Holes/Observation Wells)**  
**Permit #95-053**

Dear Ms. Barker:

This letter is to inform you that a construction permit has been issued to your selected well driller for construction of the above referenced soil boring(s). We appreciate the cooperation you have given the Health Department during the application review process. Please be reminded of the following requirements:

1. The Health Department is to be notified when construction of the boring(s) begins.
2. The Health Department is to be notified if the well driller violates any of the conditions for which the permit was issued.
3. The Health Department is to be notified for prior approval of any changes in plans for construction such as boring site location, number of borings needed, well usage such as converting a soil boring to a monitoring well, or in the well driller initially selected to do the work.
4. Logs on the boring(s) are to be submitted to this Office within thirty (30) days of work completion.

Once again, your cooperation in this matter will be appreciated. should you have any questions or need additional information, please contact Mr. Greg Parker at (901) 576-7741.

Sincerely,
