Subject: Technical Memorandum – N-12 Tank Site, Revision 0, Naval Support Activity
Mid-South, Millington, TN

Dear Mr. Reed,

The Environmental Protection Agency (EPA) has reviewed the subject document. The tank at N-12 and contaminated soil were removed in 1997. Groundwater contamination has not exceeded MCLs since 2002. This letter serves as approval of No Further Action for the N-12 Tank Site.

Please contact me at 404-562-8513 if you have any questions.

Sincerely,

A handwritten signature in cursive script, appearing to read "Jennifer Tufts".
