RE: BRAC Environmental Site Screening Report, Study Area 42,
Naval Training Center, Orlando, Florida

Dear Mr. Hansel:

I have completed my review of the Final Environmental Site Screening Report for Study Area 42, Naval Training Center Orlando, dated November 1999 (received November 29, 1999). The document is suitable for its intended use and is approved as final. I concur with the recommendation that the site be reclassified to 4/Dark Green and that No Further Action is warranted at this site.

If I can be of any further assistance with this matter, please contact me at (850)488-3935.

Sincerely,

David P. Grabka
