Dear Ms. Nwokike:

Enclosed are two copies of Rev. 1 (draft final) to Remedial Investigation Report for OU 2. One of the copies has been provided for the Administrative Record. A copy has also been forwarded to Wayne Hansel for the Information Repository at the Orange County Public Library.

This revision contains the following information:

- Changes to Rev. 0 of the Remedial Investigation Report (draft), issued in January 1999, that resulted from OPT review comments.
- Appendices from the Technical Memorandum issued in March 1998, that were not included in the draft Remedial Investigation Report.
- New information resulting from the resampling effort performed in 1999.

The radiological speciation data included in this revision are preliminary and have not been validated. The final validated data will be transmitted to the OPT in approximately 2 weeks.

Please contact me at (865) 220-4730 if you have any questions regarding the report.
