RE: Final Site Investigation Report, Study Area 17, Orlando
Naval Training Center, Orlando, Florida

Dear Mrs. Nwokike:

I have completed my review of the Final Site Investigation Report, Study Area 17, Orlando Naval Training Center, dated January 2004 (received January 7, 2004), prepared and submitted by Tetra Tech NUS, Inc. The report is adequate for its intent and is approved as final. The report sufficiently documents the investigation to determine the nature and extent of groundwater contamination at Study Area 17.

If I can be of any further assistance with this matter, please contact me at (850) 245-8997.

Sincerely,

David P. Grabka, P.G.
Remedial Project Manager
