RE: Transmittal for Signature of the Letters of Intent for  
Federal Facility Agreements with Naval Air Stations Cecil  
Field, Jacksonville and Pensacola, Florida

Dear Ms. Stehle:

By this letter, EPA is transmitting for signature the Letters  
of Intent for the Federal Facility Agreements (FFA) with Naval  
Air Station Cecil Field, Jacksonville, Florida; Naval Air  
Station Jacksonville, Jacksonville, Florida; and Naval Air  
Station Pensacola, Pensacola, Florida.

These FFAs have been fully negotiated by the three parties to  
the Agreement. Final copies were previously transmitted to the  
Naval Engineering Command in Charleston, South Carolina. EPA  
and FDER have signed the Letters of Intent (LOI). After Ms.  
Stehle's signature, please transmit the original letters of  
intent with all signatures to:

Commanding Officer Southern Division  
Attention: James Malone

Southern Division  
Mailcode 1151  
2155 Eagle Drive

Southern Division will then proceed to place all originals of  
the LOIs plus copies of the FFA in the appropriate information  
repositories. Please send copies of the signed LOIs to Ms.  
Nancy Dean of my staff. Southern Division will notify Ms. Dean

via telephone when the LOIs and FFAs are placed in the repository. Ms Dean will then proceed to place the Public Notices (previously reviewed by the Navy) and the joint press release into the appropriate publication8.

If further information is needed, please contact Ms. Dean at (404) 347-3016.
