Re: Concurrence with SOUTHNAVFACENGCOM RPM reassignment for
NAS, Pensacola

Dear Mr. Malone:

The Environmental Protection Agency hereby acknowledges receipt of your letter of April 22, 1991, regarding reassignment of Suzanne O. Sanborn as permanent Remedial Project Manager (RPM) for the Naval Air Station, Pensacola, Florida. It was a pleasure working with Mr. Campbell on NAS, Pensacola, and we look forward to working with Ms. Sanborn.

We will make the necessary changes to the Federal Facility Agreement. Please feel free to contact me at 404/347-3016 should you have any further questions regarding this matter.

Sincerely yours,

Allison W. Drew, RPM
Department of Defense Remedial Unit
RCRA & Federal Facilities Branch
