RE: Extension to Submit the Draft Remedial Investigation Report for Site UXO-002, Naval Air Station Pensacola, Pensacola, Florida.

Dear John:

The Department has received the Navy's request for a 150-day extension request from April 14, 2013 to September 11, 2013, to submit the Draft Remedial Investigation Report for Site UXO-002, Naval Air Station Pensacola. The request was submitted pursuant to Section XXIII of the NAS Pensacola Federal Facilities Agreement and was received by the Department by e-mail on April 14, 2013. The Navy has requested this extension to conduct additional rounds of fieldwork that are required to define the nature and delineate the extent of contamination at the site. The Department concurs with the requested extension pursuant to Section XXIV of the NAS Pensacola Federal Facilities Agreement. I have attached a signed copy of the Extension Memorandum to this letter.

If you have any concerns regarding this letter, please contact me at (850) 245-8997.

Sincerely,
