Subject: Final Remedial Action Plan for Underground Storage Tank Site 22, (Installation Restoration Site 21) at Naval Air Station Pensacola, Pensacola, Florida

Dear Mr. Grabka:

On behalf of the Navy, Tetra Tech, Inc. is pleased to submit for your review the Final Remedial Action Plan (RAP) for Underground Storage Tank (UST) Site 22 (Installation Restoration Site 21) located at Naval Air Station (NAS) Pensacola, in Pensacola, Escambia County, Florida. Following final document approval, UST Site 22 will proceed to remedial action implementation.

As indicated below, I have also forwarded copies of this document to the NAS Pensacola Partnering Team. If you have any questions, please call me at (850) 385-9866 ext 1362.

Sincerely yours,

Gerald Walker, P.G.
Project Manager
