Gentlemen:

This letter is to inform you that due to lack of funding we have not performed any work at the Tow Way Fuel Farm in the first quarter of fiscal year 1996. As discussed between Mr. Gordon from your staff and Mr. Ruiz of my staff on November 29, 1995, we have received funding to resume activities at this site. These funds are being used to perform additional work required in order to answer the comments addressed in your letter of July 19, 1995. We anticipate to resume submitting monthly reports in February 1996.

If you have any questions, please contact Mr. Pedro Ruiz, Pollution Abatement Program Manager, at (809)865-4429.

Sincerely,

S. CASTILLO
Director, Environmental
Engineering Division
