Madeline,

Attached is the best Sample Public Notice we could find that you can modify to announce the availability of the Admin Record at the Vieques Public Library. Please note that we can instruct the CLEAN contractor, Baker, to develop this Public Notice for you if you prefer. Also, listed below is the info needed to get the Roosevelt Roads Community Relations Plan updated per our conservation.

1. Name/address/telephone for Vieques Public Library
2. Point of Contact for the Vieques Public Library
3. Environmental Office Address
4. Names of any points of contacts (besides Jim and Sindulfo) which are outdated so they may be deleted
5. Names (address/telephone/other pertinent information) of new points of contact (besides you and me) which need to be added.

Please call if you have any questions/comments. Thank you.
