Subj: SECOND EXTENSION REQUEST FOR SUBMITTAL OF SWMU 73 DRAFT  
CORRECTIVE MEASURES STUDY REPORT, NAVAL ACTIVITY PUERTO RICO

Dear Mr. Gordon:

In accordance with Navy letter dated 11 June 2009, the Navy was to submit the draft Corrective Measures Study (CMS) for Solid Waste Management Unit (SWMU) 73 on 30 September 2009. The Army, which took ownership of the 53 acre Moscript Area of the former area, including SWMU 73, on 10 September 2009, is implementing the CMS for the Navy and preparing the draft report. During the Navy's review of the CMS, a couple of deficiencies were identified in the ecological risk assessment portion of the document. In order to properly address these deficiencies in the report, the Navy hereby requests an extension until 30 November 2009 for the submittal of the draft CMS Report.
