**Request for Additional Sampling Necessary  
For Completion of the Corrective Measures  
Study Investigation for SWMU 59 and SWMU 61  
Naval Activity Puerto Rico, Ceiba  
EPA ID No. PR2170027203**

The Federal Facility Coordinator and the Hazardous Wastes Permits Division (HWPD) has finished the review of the Request for Additional Sampling Necessary for Completion of the Corrective Measures Study Investigation for SWMU 59 and SWMU 61. The two documents were submitted by Michael Baker Jr., Inc. on behalf of the Navy.

Both request were originally submitted on April 2012 and comments were sent on May 2012. The responses to PREQB's comments were reviewed and discussed by e-mail. After review of the final documents the response were found to be adequate and the acceptance of the final version is recommended. Therefore no additional comment will be issued.

If you have any question or additional comment regarding the matter contact Gloria M. Toro Agrait from my staff at 787-767-8181 extension 3586 or at 787-833-1188.

Cordially,

María V. Rodríguez Muñoz
