Dear Ms. Knott:

We are forwarding the Engineering Evaluation and Cost Analysis for our Activity's Installation Restoration (IR) Site 5 for inclusion in the reference section of your library.

Because we will be performing a Removal Action under the Navy IR program at this site, we are required by the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) of 1980, to provide public access to these documents.

As discussed with Mr. Shawn Jorgensen of my staff on March 26, 1993, we will be forwarding additional documents for inclusion in your library as the need arises.

Thank you for your assistance and if you have any questions or comments concerning this matter, please contact Mr. Thomas Symalla on (301) 743-6745 or 6746.

Sincerely,

A handwritten signature in cursive script that reads "Susan P. Adams".
