Re: Site 17 Pilot Study Area – Shallow Groundwater Remediation Project Plans, Naval Support Facility Indian Head – November 2009

Dear Mr. Rail:

The Federal Facilities Division of the Maryland Department of the Environment's Hazardous Waste Program has no comment on the above referenced project plan. These plans were forwarded to the Water Management Administration's (MDE-WMA) Sediment and Stormwater Plan Review Division for review as well. The final acceptance letter from MDE-WMA is enclosed.

If you have any questions, please contact me at (410) 537-3791.

Sincerely,

Curtis DeTore
 Section Head
 Federal Facilities Division

MEMORANDUM

DATE: February 1, 2010
TO: Curtis DeTore, WAS/ERRP
FROM: Jim Tracy / KML, WMA Sediment and Stormwater Plan Review Div. JKT
RE: MDE No. 10-WM-0005
Navy Contract No. N62470-08-D-1000
Site 17 Pilot Study Area – Shallow Groundwater Remediation

The Water Management Administration (WMA) has reviewed the plans received January 20, 2010, and prepared by CH2M-Hill for the above referenced project at Naval Support Facility-Indian Head in Charles County. The review was in accordance with Sections 4-106 and 4-205 of the Department of the Environment Article, Annotated Code of Maryland with regard to Sediment Control and Stormwater Management.

The proposed project plans submitted satisfy the substantive requirements for Stormwater Management and Erosion and Sediment Control. The project meets the requirements of a waiver of Stormwater Management under Section 3.3.A.1 of the Stormwater Management Guidelines for State and Federal projects. The attached Erosion and Sediment Control plan is acceptable.

Please call me at (410) 537-3563 with any questions or comments.

Attachment: Plans dated November 2009
