Re: Final Record of Decision Site 38 – Rum Point Landfill, Naval Support Facility Indian Head – March 2014

Dear Mr. Rail:

As the original Final Record of Decision for Site 38 – Rum Point Landfill was to be printed in November 2013, the Federal Facilities Division (FFD) of the Maryland Department of the Environment's Land Restoration Program issued a concurrence letter dated November 14, 2013. Due to administrative delays, the final version of this document was delayed until March 2014.

Therefore, at the request of the Navy, the FFD is sending this letter to confirm that the State still concurs with the selected remedy for Site 38.

If you have any questions, please contact me at (410) 537-3791.

Sincerely,

Curtis DeTore
Geological Supervisor
Federal Facilities Division
