Re: Final Statistical Evaluation of Anomaly Selection for Intrusive Investigation at UXO 20,  
Naval Support Facility Indian Head – October 2014

Dear Mr. Rail:

The Federal Facilities Division of the Maryland Department of the Environment's Land Restoration Program has no comment on the above referenced document. This document was subjected to an on-board review during the October 2014 Indian Head Installation Restoration Team meeting. All comments were provided and addressed at that time. This document is considered final and will be incorporated into our site file.

If you have any questions, please contact me at (410) 537-3791.

Sincerely,

Curtis DeTore  
Geological Supervisor  
Federal Facilities Division
