Encl: (1) Action Memorandum for the NON-TIME CRITICAL REMOVAL
ACTION OF THE CONTAMINATED SOIL AT SITE 1, THORIUM
SPILL.

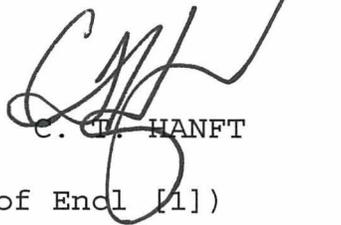

1. As required in section 7.6, page 7-7 of reference (a), I have signed enclosure (1) and am forwarding it for inclusion in the Installation Restoration Program Administrative Record File for the Naval Support Facility, Indian Head. The document accurately presents the proposed removal action and alternatives described in the Engineering Evaluation and Cost Analysis (EE/CA) for the sites.

2. The proposed removal action and alternative presented in the EE/CA and summarized in the Action Memorandum has the concurrence of our regulators, the EPA and Maryland Department of the Environment, as provided in references (b) and (c).

3. In addition, Navy legal counsel reviewed the Action Memorandum and found it to be legally sufficient, as described in reference (d).
